## So help me God

No matter how firm our resolutions, we can't make ourselves better people *by ourselves*. God empowers our good works when we rely on his aid.

H.P. Nichols, a 19<sup>th</sup>-century poet, wrote:

If I resolve, with the new year,  
a better child to be,  
'Twill do no good at all, I fear,  
but rather harm to me,  
Unless I try, with every day,  
no angry word to speak;  
Unless, each morn, to God I pray  
to keep me mild and meek.  
Then let me try with all my might,  
and may God help me too,  
Always to choose the way that's right,  
whatever act I do.

*"This is the Lord's Table. Our Savior invites those who trust him to share the feast that he has prepared." ~The Invitation to the Lord's Table, Book of Common Worship*

Beloved in the Lord,

By now you all probably realize just how much I love communion. It is, for me, the central act and gathering of our faith. To share in the Lord's Supper connects us, not just with our Triune God, but with one another, and with the world in which we live.

One of my favorite parts of the communion liturgy is the Invitation to the Table. These are the words that remind us that everyone is welcome to partake in the Eucharist. There are no "in people," no winners, no chosen - there is just us, and we are all invited. We don't have to have a full understanding of communion to take it - in fact, I fully confess that there are parts of the communion meal that I don't fully understand - and that is okay! Part of it just plain mystery, and that is where our trust, our faith, really come into their own.

But the invitation, while extended to everyone, has to also be shared with everyone, and that means we've got some inviting to do! We are called by Christ to "go into the world," not to show off, but to extend the invitation that others might come to know Jesus the way we do.

I wonder - when is the last time you invited someone to come to church with you? Think about someone you see regularly: your mechanic, your hairdresser, a co-worker, even the person who lives next door! When is the last time you took the risk to ask them if they'd like to come along with you to worship one Sunday morning, or to a potluck dinner we are having, or to a service opportunity, or to...

But all too often, we don't. What keeps us from extending this invitation? Is it the fear of rejection? Is it wanting to keep this as "ours" and not let others in? Both of those hold no water, because, remember, the invitation is extended to us every single time. Jesus doesn't invite us to the table once and then give up on us when we don't come. He keeps inviting us, every morning, every day, hoping that we will join him in the feast of abundance.

See, the table is big enough for all of us, and there is room and room and room. Tell your friends, your family, the stranger you meet on the street - you've been saving a spot next to you just for them! There is a home for them, right here in God's beloved community!

In the feast,

~Pastor Kyle

### Thank You HUPC Family

It has been a challenging time for everyone globally and especially in underserved communities and countries.

The Chituka Village Project was forced to suspend all the activities for the school children in Malawi, Africa. For almost two years now the children in chituka village have not been able to participate in afterschool activities or weekend sports activities. As a result, most children have dropped out of school. The girl child is the most affected by the high dropout rate.

Thanks to the generosity of HUPC, a check of \$3,000 has been donated to Banda Bola Sports Foundation as seed to restart programs for the children in chituka village.

Please, accept my sincere gratitude for this gift.

God speed.  
Keni Banda

### *Pastor Kyle's "Drop-in" Hours*

Over the past several months, as I have been getting to know you, I have been finding myself being "out and about" more often. This is a good thing, as I don't think you want a pastor who stays secluded in the church office every single day, but rather being out in the community, connecting and building relationships.

In consultation with the session, I am making a slight change to my "office hours." While I anticipate there will be some weeks I am in my study most days in a week, I am offering "drop-in" hours when I will definitely be "in" - Tuesdays from 10 am to 1 pm (of course, emergencies do arise!).

However, this does not mean I am not available at other times. Quite the contrary! If you have a pastoral need, want to discuss something, or just need to talk - I am always available! The best way to get me is to schedule a time to meet. You can always reach me by email - [revkyle@hamiltonunionpresbyterianchurch.org](mailto:revkyle@hamiltonunionpresbyterianchurch.org) or by phone - 585.210.8068 (call or text!).

If I do not answer, please leave a message and I'll get back to you as soon as I can.

Our hope in making my schedule more elastic and flexible is that I will be able to better attend to the needs to spring up - ministry is 90% preparing for the unexpected!

People of God at HUPC,

Almost two months ago, the session got together for a time of dreaming, discerning, and considering how and who God is calling us to be. Over the course of our conversation and time together, we discerned that a redesigning of our current committee structure was needed in order to reflect our context as a smaller, aging congregation.

As a result, we are shrinking from ten committees down to eight. Our new structure is as follows:

- Administration (which will include finance and stewardship)
- Personnel
- Property
- Mission
- Worship & Congregational Life
- Faith Development
- Membership and Engagement
- Communications and Outreach

Some of these committees will be the same as they have been (i.e. mission & property), while others have been merged to reflect the shared nature of their ministries (i.e. worship & congregational life).

This new structure will be implemented in January, and we look forward to more fully fleshing out how these teams will be active in the life of our church.

With that said, if you have been considering joining a team, now is the perfect time! We would love to have you use your talents and gifts for the building up of God's kingdom through the important work of these ministry teams.

### A Note from the Mission and Social Witness Ministry Team

At the September Mission and Social Witness ministry team meeting, Nancy Messersmith introduced the Heifer International Organization as the mission of the month. When Betty Deitz suggested challenging the congregation to “fill the Ark” (\$5,000) in honor of her 80th birthday, this mission took on a life of its own. Betty’s daughters, and others, jumped in and reached out to family and friends. With awe filled gratitude and wonder, the Ark was filled to overflowing by the middle of November and gifts continued to come in. As of this date—December 9th—approximately \$1,800 more has arrived. These gifts will be used for the Heifer projects for Women’s empowerment (check the web site). Nancy has chosen “keeping girls in school”. HUPC’s commitment to mission outside our “home” continues to be vibrant and exciting. I’m looking forward to see what we will inspire us in 2022.

Betty, for  
M&SW

## A Heads-Up from the Communications Ministry Team:

In recent months, Hamilton Union has expanded the ways we communicate with our church family and with our greater community. This has resulted in some confusion about how to publicize and schedule events, what information is needed, and who this information should go to.

To reduce confusion, the Communications team and the church office have developed a one-page form for church members and groups to use when publicizing their events and activities: the Event Planning Form. One side asks for specific information in a fill-in-the-blanks format. The other side is general communications guidelines and information specific to each way (Facebook, email, newsletter, etc.) we communicate with our church family and the greater community. We're asking that you use this form for Sunday bulletin submissions, the Monday HUPC digest, church-wide email, the Good News monthly newsletter, our Facebook page and the church calendar.

We have designed this form as a reminder and checklist for the specific information we need for each publicity/communications request we receive. For many events, it may be all you need to fill out. For others, such as Good News newsletter articles, we ask that it accompany your article. We've tried to keep it short and to the point, and we hope you find it helpful.

A special note on deadlines: Deadlines for various communications vehicles are noted on the Events Planning Form. We ask that you pay attention to these and please plan ahead. We have found that listing events in established listings (the Sunday Bulletin Announcements and Good News monthly newsletter) is more effective in terms of your audience actually seeing your message. Individual emails can easily be overlooked or lost in the flood of email many people receive. And, since the website is updated from Sunday Bulletin Announcements, it also ensures your event gets on the website. Also, when requesting a Facebook post, please understand that these are also often scheduled in advance, to avoid overloading our Facebook friends with posts. Getting the word out well in advance also gives people an opportunity to plan ahead and participate in your event.

Please return completed forms to Kim Matthews, Administrative Assistant, in the Church Office via email [hupc@hamiltonunionpresbyterianchurch.org](mailto:hupc@hamiltonunionpresbyterianchurch.org) or place hard copy in the designated box in the office. Questions? Contact Kim at 518-456-5410 or the email above.

For now, a paper version of the form will be available in the back of the church beginning in January. We also hope to develop an online version in the near future. Stay tuned for more information.

## From Keni Banda — Help Us Restart the After-School Program in Chituka Village

The Banda Bola Sports Foundation is working to restart its after-school mentoring and tutoring program at Malenga Mzoma Primary School in Chituka Village in Malawi. The program was suspended because of the pandemic, and the Banda-Bola Sports Foundation is looking to restart it in 2022.

The program provides after school snacks, meals and tutoring for the children. Sometimes it is the only meal of the day for children experiencing hunger at home.

About \$9,100 is needed to restart the program. Contributions (checks should be made payable to Banda Bola Sports Foundation, Inc.) can be mailed to:

Banda Bola Sports Foundation, Inc.  
P.O. Box 105

From the Property Committee:

As many of you may know, Hamilton Union received a generous bequest from the estate of Randall and Mary Hallenback in 2020. The family requested that the funds be used for the Music and Property Ministries of the church.

The Property Committee, in consultation with Session, has been working to wisely use these funds in accordance with the wishes of the family. To date, we have:

- Purchased new Presbyterian hymnals for the Sanctuary, including large print and the organist version.
- Allocated monies from the bequest to the Music/Worship Ministry Fund to support future needs.
- Helped purchase the technology that allows us to stream worship services via Zoom.
- Replaced the storm windows in the Sanctuary.
- Repaired the Sanctuary bell tower, including related roofing work.
- Installed energy-efficient window treatments in the Education Building.

Currently, we are in the process of improving the Sanctuary lighting by installing brighter bulbs. We also plan to replace the sign in front of the church with one that has digital messaging capabilities; however, the Town of Guilderland has a temporary moratorium on new digital signs at this time.

We also know that we need to replace the existing concrete ramp that goes up to the Sanctuary entrance. Heavy equipment will be needed to do this, which could damage the parking lot. Especially in light of recent construction cost increases, we are currently considering how to best address this need.

Everyone is invited to a dedication and celebration of this generous gift after worship on Sunday, January 16. The Hallenbeck Family will be there; please join us!

So, how is the US doing with food insecurity in the Fall of 2021? An Associated Press review of bulk distribution numbers provided by Feeding America from hundreds of food banks across the country revealed a downward trend in the amount of food handed out nationwide, starting in the spring as the COVID-19 vaccine rollout took hold and closed sectors of the economy began to reopen.

It's come down, but it's still elevated," said Katie Fitzgerald, COO of Feeding America, a non-profit organization that coordinates the efforts of more than 200 food banks across the country (including the Regional Food Bank in Albany). She warned that despite the recent decreases, the amount of food being distributed by Feeding America's partner food banks remained more than 55% above pre-pandemic levels. "We're worried (food insecurity) could increase all over again if too many shoes drop," she said.

A pastor giving a children's sermon on vestments asked:

"Why do think I wear this collar"

One kid chimes up and says:

"Because it kills ticks and fleas up to 30 days?"

## Thank You From Cornerstone Campus Ministry

Thank you for hosting a Bake Sale to help us raise money for our Service Trip in January. With COVID precautions, we anticipated that we would only be able to raise a fraction of our usual bake sale income, but with your help we raised a total of \$2728 plus a few promised donations. This amount that exceeds the amount we raised at our last fall bake sale in 2019. Our hearts are full! The evening after the Bake Sale we gathered around a really big table for our annual Thanksgiving Dinner and Worship, and we counted our blessings. Having so many congregations that support us is on the top of our gratitude list. Hamilton Union Presbyterian Church raised \$375 +.

With a record number of students, 24 students and 3 leaders are planning to attend our January Service Trip. Every penny of the funds raised will be used!

***Tea for the Soul to Go Project is Retired***

Presbyterian Women has supported the *Tea for the Soul to Go Project* since Spring 2020. It is a project of Albany Medical Center’s Pastoral Care Dept., where snack bags were given to staff on the Nursing Units who are overworked and often unable to leave the unit for a break due to the pandemic. We asked our church family to decorate brown or white paper lunch bags and write a short personal note thanking staff for their efforts and sign it with the phrase “From a friend at Hamilton Union Presbyterian Church.” The bags were sent to the hospital and then filled with snacks for the staff. Many people included a financial donation to pay for the snacks that the Pastoral Care Dept. purchased.

We have decided that this project has run its course and are no longer doing it.

We’re greatly appreciated the time and generosity of our Church Family.

Thank You From Presbyterian Women

### **Church Activities - Effective Sign up Sheets**

Sharing information for church events is an important part of Hamilton Union's rich tradition of Christian Fellowship. There are a few items that will help in this endeavor. If you have a sign up sheet and/or flier for an event, there are clipboards and acrylic stand up frames available in 2 locations. Some are in the cabinet under the clock in the back of the Sanctuary and also some are in the lounge in the second to last cabinet toward the back wall.

If you would like help making a sign-up sheet or a flier, contact Kim Matthews, Administrative Assistant, in the Church Office.

### **A Franciscan Benediction**

May God bless you with discomfort  
At easy answers, half-truths, and superficial relationships  
So that you may live deep within your hears.

May God bless you with anger  
At injustice, oppression, and exploitation of people,  
So that you may work for justice, freedom and peace.

May God bless you with tears  
To shed for those who suffer pain, rejection, hunger and war,  
So that you may reach out your hand to comfort them and  
To turn their pain into joy.

And may God bless you with enough foolishness  
To believe that you can make a difference in the world,  
So that you can do what others claim cannot be done,  
To bring justice and kindness to all our children and the poor.
